

Join the Movement: Why Midterms Matter

An Act of Biblical Stewardship

Voting is **not** simply a political act but an act of Biblical stewardship for every generation.

Midterm elections **matter just as much as presidential elections.**

Determines control of the House and Senate, which directly shapes whether the current pro-life, pro-family, and pro-religious liberty executive actions can be codified into lasting law—or dismantled.

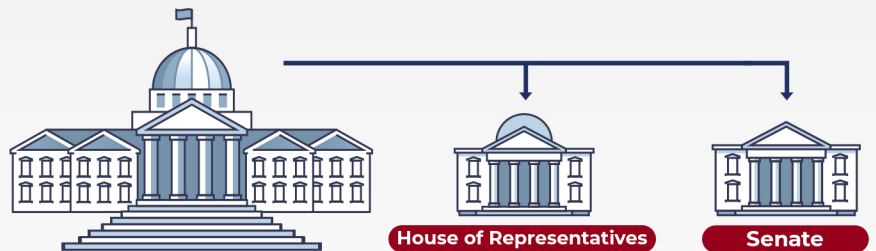

Why Christians Need to Engage

Some Christians avoid politics because it feels messy or divisive BUT **Scripture calls us to engage, not withdraw.**

Jeremiah 29:7 is a clarion call to seek the good of the city. When we vote according to what best aligns with our Biblical values, we can impact generations.

Who's Who of Capitol Hill

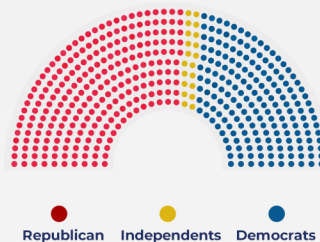

Congress includes two types of lawmakers, the House and the Senate.

Majority vs. Minority

Whichever party is the **MAJORITY** of the **HOUSE** or the **SENATE** influences the policies that will get **PRIORITY**. **Midterms determine which party will be the majority.**

- **Majority Party**—sets the agenda (what will get voted on) and Leads committees.
- **Minority Party**—has less power to move their priorities forward, to stop or pass laws.

The Speaker of the House

Leader of the House—decides what bills get a vote, what issues are prioritized, & can **advance** or **block** laws on life, family and religious freedom.

Committees

Where laws are shaped. Leaders of committees can **STOP** certain bills **AND** push new ones forward. **Midterms determine which lawmakers lead committees.**

Key Committees for the Faith Community:

Ways & Means	Social Services like adoption & foster care
Judiciary	Life Issues, Religious Freedom, Gender policies
Homeland Security	Border and Immigration
Education & Workforce / HELP	Schools, Parental Rights, Sports Policies
Energy & Commerce	Healthcare & Abortion Drugs

What's at Stake in the 2026 Midterms?

- **Republican control:**
 - Prioritizes religious freedoms
 - Promotes life at all stages
 - Continued support for Israel
 - Protects parental rights & women's sports
- **Democrat control:**
 - Prioritizes LGBTQ & transgender issues
 - Expansion of late-term abortion
 - Split/Undecided support toward Israel
 - Advances gender identity policies in schools, sports, and health care over biological sex

Key Terms

- **Executive Order (EO)** — a law created by the President (until a new President changes it).
- **Codify**—when Congress turns an EO into permanent law. **Without codifying**—Temporary policy actions can be quickly reversed.

Why It Matters? If Congress has the majority party aligning with the President, an opportunity exists to codify this temporary action (EO) into a permanent bill.

Key Issues for People of Faith to Watch

- **Religious Liberty**
- **Pro-Life**
- **Transgender Policies**
- **Parental Rights**
- **Boys in Girls' Sports**
- **Israel**

DECIDING NOT TO VOTE IS NOT A NEUTRAL CHOICE, IT STILL HAS CONSEQUENCES.

If people of faith do not engage in the midterms, others will decide WHO IS:

- **Leading Congress** • **What laws take priority** • **Which judges get appointed** • **What leaders get confirmed**

What Churches and Christians CAN DO:

- **Pray & Learn** about the issues & candidates.
- **Register** to vote AND **Vote** early.
- **Encourage** others to vote.
